ABOUT THE TEAM

JEB Stuart High School is a culturally and socioeconomically diverse public high school in Fairfax County. Its CREW TEAM is 100% self-funded—it receives no funding from the Fairfax County Public Schools athletic budget and relies on fundraising for over half of its operating budget. The annual *Wreaths, Poinsettias, and Coffee* campaign is the team's flagship fundraiser. Along with donations, car washes, gift card sales, restaurant nights, year-round coffee delivery, and other programs, this fundraiser pays for equipment, boat-house rental, transportation, salaries, uniforms, etc.

CREW is a great way to learn teamwork, leadership, perseverance, discipline, time management, and comradery. Of the sports teams at JEB Stuart High School, CREW has the greatest time commitment, yet achieves one of the highest team grade point averages.

The CREW program is celebrating its 50-year anniversary this year. The program has yielded championships at the state and national levels, and the 1968 team won the coveted Princess Elizabeth Challenge Cup race at the Henley Regatta in London. Last year, the team won gold, silver, and bronze medals at the Virginia state championships. We hope you will help keep STUART CREW on the water and competitive!
