

Dear Parent,

Since 1998, Harris Teeter has contributed over 16 million dollars to schools in our local areas. These dollars are used by the school however the school deems necessary. Simply link your VIC card to the school or schools of your choice. You can link your VIC card to as many as five schools. Money is disbursed equally among the schools linked to your card. After your card is linked, simply purchase Harris Teeter brand items or fill a prescription at our pharmacy and monies are automatically donated to the school. Below are instructions on how to link your card online.

To link your VIC card online:

1. Go to www.harristeeter.com
2. Login to harristeeter.com by clicking "Sign up | Login" at the top of the page.
3. Click "Sign Up" under new users (if you have not established a profile yet) or simply login if you are a returning user.
4. Once you are logged in, select "Together in Education" under the "My Harris Teeter" navigation on the left. Click "Add a school" in the TIE box. Find your local school by using the keyword search. Click on the number for the appropriate school. Your school will now show up in your current school list.

For those who prefer to send in their card information, return the bottom portion of this to the school, and they will link your card for you.

Be sure to use the first (11) digits on the VIC card when filling in the VIC card number on any forms or on the website.
