One-hour Rowing Orientation: August 13

Students who will be attending Stuart (any grade) or the 8th grade at Glasgow in the 2016–2017 year can experience the Olympic sport of rowing first hand this summer. **STUART CREW** invites you to a three-afternoon **LEARN-TO-ROW** at Sandy Run Regional Park, August 11–13, 3:30 pm to 6:30 pm. We're also holding a short hour-long orientation at 3:30 pm, Saturday, August 13, at Sandy Run for those who want to start out with a shorter taste.

No experience is required for either program, and there is no fee associated with either. Some paperwork is involved.

Parents are welcome.
