**Received \$ \_\_\_\_\_ Thank You!!!**

Justice Rowing Boosters is a 501(c)(3) corporation  
Federal Tax ID is 54-6074527

**ABOUT THE TEAM**

Justice High School is a culturally and socioeconomically diverse public high school in Fairfax County. The Justice Rowing team is 100% self-funded—it receives no funding from the Fairfax County Public Schools athletic budget and relies on fundraising for more than half of its operating budget. The annual *Wreaths, Poinsettias, and Coffee* campaign is the team's flagship fundraiser. Along with donations, student crew registration fees, car washes, gift card sales, year-round coffee delivery, and other programs, this fundraiser pays for equipment, boathouse rental, transportation, coaches salaries, uniforms, and more.

Rowing is a great way to learn teamwork, leadership, perseverance, discipline, time management, and comradery. Of the sports teams at Justice High School, Rowing has the greatest time commitment, yet achieves one of the highest team grade point averages.

The Rowing program has a more than 50-year history at Justice. The program has yielded championships at the state and national levels, and the 1968 team won the coveted Princess Elizabeth Challenge Cup race at the Henley Regatta in London. Last year, the team sent boats to the Virginia State Championships, the Stotesbury Cup and the SRAA National Championship. We hope you will help keep Justice Rowing team in the water and competitive!
