

## Parking

There is no on-site visitor parking at Sandy Run Regional Park. All spectator parking is at South County High School. There is a shuttle bus from South County to Sandy Run that will cost **\$10 per person**. (Cash payments only) South County High School is located at [8501 Silverbrook Rd, Lorton, VA 22079](#).

The location to park for the shuttle bus changes based on events happening at South County. When you enter the parking lot, look for signs, the shuttle buses (not school buses) and the parking personnel who will be wearing reflective vests.

Rowers in Uniform can ride the shuttle for free.

VASRA does not make revenue from parking. In fact, VASRA loses money on parking. The parking fees collected are distributed to pay for 1. Paid parking staff (currently West Springfield Football Boosters) and 2. Shuttle Buses.

There is a shuttle bus from the "C" lot (1<sup>st</sup> Gravel Lot on the Left after you pass the park gates) to the Finish Line (it is a short walk from there to the Grandstands). Cost is \$3.00 each way.

Plan for additional travel time, both from the offsite parking and within the park. Our venue is a superb rowing location, but not user friendly for large crowds.

All shuttles stop and load with the passenger door adjacent to the woods in the "C" lot. There are signs indicating where the buses stop. Please do not wait in the road. It will prevent all the shuttles from being able to move forward.

**Lot A:** Trailer Parking

**Lot B:** VASRA volunteers, LOC, referee, and Coach parking

**Lot C:** Some Handicap parking and athlete drop off.

**Lot D:** Weekly volunteer parking

**Loisvale:** Athlete Parking and overflow from lot D.

**Van Thompson:** Not used

Boathouse #2 is the Justice Rowing Boathouse.
