9'-6". Fatima Amaya Diaz broke the long-standing school record in the Discus with a throw of 117'-9". The 4x100m relay team, which consists of Katie Turray, Taylor Rivers, Sarah Pagan, and Renee Agyemang, gave the National District teams problems all year. They are on the verge of breaking 50 seconds in the 4x100m relay. Clíodhna Collins and Amaya Diaz won First Team All-District honors in the Discus and Shot Put, respectively, Amaya Diaz qualifying for the 6A Outdoor State Championship.

The boy team was highlighted by Mosa Shamat's High Jump talent with a jump of 6'-0" that qualified him for the 6A Outdoor State Championship. This season also highlighted Tobey Phinney in the hurdles. He was in the hunt to win a district title before an injury slowed him down in the 110m hurdles. Dustin Williams rounded out the year with a Second Team All-District in the Shot Put.

When this blurb was written, the Occoquan Region Championship had not been held.

Softball

Head Coach: Jack Deschauer

The Justice Wolves reached several program milestones under first year head coach Jack Deschauer. First, the Wolves scored 17 runs against two-time state semifinalist Hayfield, the most runs Hayfield had given up in a game in at least eight seasons. The Wolves scored ten runs in one inning in that game, the most runs scored in an inning against Hayfield in at least five seasons. This year's varsity squad doubled its runs per game output and cut its runs given up numbers significantly. Junior Shortstop Wren Pringle was also named First Team All-District and to the All-Region Team; the first time a Justice player has been named first team in several seasons.

Boys Tennis

Head Coach: Kenny Day

The 2024 Justice High School Boys Tennis Team was represented by Liam Chmura '24, Nico Evans-Reinke '24, Wali Khairzad '25, Abdullah Olabi '25, Dan Salazar Jara '25, Abdullah Sufyan '25, Raphael Teferi '26, Andrew Buddendeck '27, Elijah Garces-Foley '27, Nate Lumer '27, Connor Morgan '27, Abdulsalam Olabi '27, and Manager Sadiq Mubarak. This year's team was very new to competitive tennis consisting of three second year players and nine first year players. Despite the inexperience, they quickly grew their match IQ as demonstrated by their continuously improving results ultimately earning a 6th place tie with Annandale, whom we defeated 5-4 in the rematch after losing 8-1 at the start of the season. Andrew Buddendeck '27 earned the Sportsmanship Award. Abdullah Olabi '25 earned the Coach's Award. Wali Khairzad '25 earned MVP by picking up 8 victories across 14 matches this year. Honorable Mention for the National District Team is Nico Evans-Reinke '24.

Girls Tennis

Head Coach: Jeff Tucker

Justice High School's outstanding Girls Tennis team showed kind and supportive team spirit all through this season. Each of the many excellent individual performances was overshadowed by team camaraderie, positivity, and sportsmanship. Amara Hlubny and Piper Koury played divisional singles, and we had 2 teams in divisional doubles as well. With only 1 senior on the playing team our girls finished in the top 4 of the district teams and qualified for Regionals. Our young team, with their 5th coach in 5 years, displayed focus and determination repeatedly, with come from behind victories and clutch play under pressure. Their future is very bright!

State Champions:

Emma Redman—200 yd IM and 100 yd Breast

Claire Coughlin/Reagan Kampschror/Emma Redman/Annika Wentland—200 yd Free Relay

X. Head Coaches - Season Comments

FALL 2023

Cheerleading –

Head Coach: Rachel Luke

The Varsity Cheerleading team showcased their dedication and skill this season, securing 5th place at Districts and earning a coveted spot at Regionals. Their hard work paid off as they executed a challenging routine with precision and flair. Beyond the competition floor, they brought boundless energy to the football field, rallying school spirit and cheering on their team with infectious enthusiasm. Among their many accomplishments, one athlete made first-team at both the District and Regional levels, seven others were recognized with spots on the second team All-District roster. Additionally, one athlete received a well-deserved honorable mention recognition. Their commitment, camaraderie, and passion for cheerleading made this season one to remember, leaving a lasting legacy of excellence and school pride.

Cross Country- Boys & Girls

Head Coach: Ron Kronlage

The 2023-24 Justice Cross Country teams had a fine turnout of 65 total runners on the combined boys and girls teams this season including, 22 new freshmen participants. Cross Country runners compete in 5 km races throughout the area including at Mason District, Franconia, and Burke Lake parks. Both the Girls and Boys teams advanced to the Regional Championships with spirited efforts at the District Championship. The girls squad was led by first team All District runner Mica Karotkin and senior captain Elizabeth Nichols. Juniors Ella Galway and Camryn Coughlin and freshman Nora Tibbals completed the Justice scoring. The boys team was led by first year runner and senior Noah Canzoneri Crozier. Juniors Adam Syar and Abdullah Sufyan, sophomore Angel Ostorgo Amaya, and freshman Diego Syar completed the scoring for the boys. With many returning runners, both the girls and boys teams look to make significant improvements in the upcoming Fall 2024 season. The 2024 Cross Country teams will hold conditioning workouts throughout June and July at Mason District Park and the Justice HS track. We are actively seeking new athletes, especially rising freshmen who would like to join us for running, competitions, and a lot of fun. Contact Coach Kronlage at rkronlage@fcps.edu for more details or check us out on Instagram and X at @justicecrosscountry and @JusticeWolvesXC.

Field Hockey—

Head Coach: Kendall Maxwell

The Justice field hockey team had an exciting season filled with dedication, perseverance and sportsmanship. From close games to moments of incredible teamwork, each member of our team contributed to our success. Six players received all district recognition. Norah Kelaher and Brooke Campbell both received recognition for their defensive playing skills within the region. We have 11 seniors graduating this year! We wish them luck in their future endeavors and hope you will come back to visit! We are excited for our returning players to continue our success for the 24-25 season.

Girls Lacrosse

Head Coach: Monica White

Justice Girls Lacrosse had a truly outstanding season! History was made and school records were broken. We finished the season with an impressive resume: 15-2, the best record in school history, an undefeated District season, National District Champions and final four in the Occoquan Region. We outscored opponents 269-104. Five of our players were named to First Team All-District, two were Second Team All-District and three Honorable Mention; we also secured the Offensive and Defensive Players of the Year! Two of our players landed on First Team All Region and three on Second Team All Region. Senior Captain Emaan Afzal secured her spot on the top of the school record board with 261 saves. There was so much to be proud of this season and the hard work the girls put in is shown in it. Thank you to our nine seniors who have been an integral part of the program throughout their time at Justice!

Boys Soccer

Head Coach: Mark Fioramonti

Justice HS Varsity Boys Soccer team finished their District regular season with a thrilling 4-3 win in overtime against Hayfield. In District play, the Wolves went 2-5, averaging 3 goals a game in their final 4 district games over some of the best teams in the region. Justice's high-powered offense led them to score 25 goals in the regular season, averaging about 2 goals a game which was backed by a stellar back line that kept the team toe to toe with some of the best teams in the region. A telling characteristic from the season was the team's resiliency. Throughout the season, after going down a goal or two, the 11 on the field kept their heads up and always responded with a goal. Another highlight of the season was having a sophomore and junior make the all-district teams. The program will be graduating 7 seniors and we cannot be more thankful for their dedication, hard work, and leadership. The program will definitely miss the three starting seniors but are optimistic for the future with so much young talent.

Girls Soccer

Head Coach: Rylee Bly

The Justice Girls soccer team had another successful season, ultimately ending our district season 3-4. Although not a winning record- there are many positive aspects that came out of the season. The girls had 12 goals in our 7 district games and gave up 11. We also had 2 players make first team all-district and second team all-region, one making second team all-district, and one making honorable mention. With many players set to return next year, I know that the success of this team will only continue to grow!

Spring Track & Field

Head Coach: Leon Riddick

The 2023-24 Justice Spring Track and Field boys and girls track teams continued their success during the indoor track season. Both teams were ready to take on their district foe. The girls' team was led by a great sprint team. Mica Karotkin had a great year in the 400m, which ended with her breaking the school record with a 59.15-second run and winning First Team All-District. Julia Franco also broke the school record in the Pole Vault with a jump of

SPRING 2024

Baseball

Head Coach: Randy Lightle

Not much was expected of this season's squad but they delivered beyond expectations. The baseball Wolves finished in 3rd place in the National District with a 9-5 record. They won their first District playoff contest, 7-3, knocking off Falls Church. In the semifinal contest against 2nd place Edison they played an extraordinary game losing to Edison, 15-14, in 9 innings. Having won 9 of their last 11 they finished the season 10-11 with a Regional contest against Woodson still pending. This team developed a special bond that led to their on field success. The Wolves placed five players on the All District team highlighted by National District Player of the Year, Kai Freeman. It is believed that he is the first ever JEB Stuart/Justice player to be awarded the POY honor. This team will lose five players to graduation but it appears there will be some capable JV players to fill in those gaps next season.

Crew

Head Coach: Nate Carmody

The 2024 season was a successful one for both junior (novice through junior year) and senior (seniors) rowers for Justice Rowing. Out of six entries at the Virginia State Championships, Justice Rowing placed 4th twice and second three times! Our Women's Senior Quad (Indigo Brookes-Weiss, Sabrina Ehmann-Jones, Brooke Ehmann-Jones, Anna Lyons) beat Western Albemarle by 8.6 seconds and finished second. The Women's Senior Double (Chloé Bernasconi, Ella Stavlund) rowed a furious 37 strokes a minute for the entire race to hold off Hylton by 1.6 seconds to finish 2nd. The Men's Senior Quad (Stephen Blackadar, Sam Schneider, Tucker Trissell, Charlie Hess) beat Albemarle to finish 2nd, posting its fastest time of the year. We also entered three crews for the 2024 Stotesbury Cup Regatta, the largest high school regatta in the world: Senior girls double, Junior girls quad and Boys junior double. Both girls' boats competed strongly, and the boy's boat qualified for semifinals and finished sixth. All boats achieved significantly better times throughout the season and have positioned the team for an even more successful 2025!

Boys Lacrosse

Head Coach: Leo Guedes

Justice HS Boys Lacrosse had a historic season, and for the first time in program history won 10 games in a season finishing with a record 10-4, our best in history. Our program has quickly turned a corner thanks to the leadership from our incredible group of Seniors - helping the coaching staff set the culture and carrying a lot of our success on their shoulders. The season was also highlighted by 3 players making first-team, 3 players making second team and 6 making honorable-mention. On top of that, we outscored our opponents 155 - 80 - an impressive season all around. Although the program will be celebrating a big class of seniors moving on to their next phase of life, the coaching staff is encouraged by a rising group of underclassmen who we believe can bring home a championship banner next Spring.

Football

Head Coach: Willie Gillus

Despite facing a daunting 2-8 record, the football team's season was defined not by the scoreboard but by their unwavering resilience and commitment to growth. Each day, they approached practice with determination, using their setbacks as fuel for improvement. Through perseverance and teamwork, they cultivated a culture of support and determination, focusing on small progress rather than immediate results. Despite the challenges, they never lost sight of the potential, showcasing qualities of perseverance, camaraderie, and a relentless drive to succeed. As the season came to a close, the team emerged stronger, united, and poised for the future success, proving that true victory lies not in the score but in the journey of growth and development.

Golf

Head Coach: Ryan Kenna

The golf team had 2 wins this year with the help of seniors Thomas Palmer, Brendan Short, and Nate Ross. We also finished 7th place in the district golf tournament to cap off a fun season. Everyone made steady progress throughout the year and we had a lot of fun while doing so. Thanks to everyone that played and especially to our seniors that are graduating.

Volleyball

Head Coach: Abigail Slezak

Justice HS Girls Volleyball had another hard-fought season. Our program continued our focus of relentless pursuit as we strived to build back after losing 8 seniors. We ended our season 11-6 in the second round of district playoffs. The season was also highlighted by 4 making All District and 1 receiving honorable mention. This season, our 5 seniors led with immense love for the sport and the team, and with 8 returning players, we are excited to see what comes next.

WINTER 2023—2024

Basketball – Boys

Head Coach: Matt Deuteran

The Justice Boys Basketball team had a great building season. Our record didn't go as we had hoped but a lot of good foundation was built this year. This was a very young team and a lot of same pieces are coming back to continue to grow on that foundation. This team grew leaps and bounds throughout the year. Defensively and offensively they got better as they started to put everything together towards the end of the season. With a strong offseason I have high hopes for this team next year and what they can accomplish. We had some great individual successes as well. Mike Jones was named to the all-tournament team at the Fairfax holiday tournament and Isaiah Tedros was named honorable mention all district team as a Freshmen. We got great leadership from our team captains Asjal Ali and Nathan Belachew who really grew in those positions as the year went on. A new coaching staff will take over next year, and from their hard work this year there will be a lot growth and accomplishments.

Basketball – Girls

Head Coach: Barbara Burgess

The girls' basketball team had an eventful season, with a mix of both successes and setbacks. They finished the season with a record of 12-13 overall and 7-9 in the district, which was comparable to last year's record. However, this record does not reflect the significant strides that the team has made over the past few years. The coaching staff is thrilled with the girls' progress and the effort they put into every game. Despite some tough losses, the team had several highlights this season that they can be proud of. One of the most notable achievements was beating Mt. Vernon three times in total. It was a great achievement for the team and showed their focus and determination. Additionally, the team was overjoyed to host their first regional game in over 30 years. Overall, the girls' basketball team had a challenging but rewarding season. The team's hard work and dedication paid off, and they should be proud of their achievements. The seniors are ready to move on to the next chapter of their lives, and they have made a lasting impact on the team. I want to express my heartfelt gratitude to Justice High School for giving me the opportunity to lead the girl's basketball program over the past five years. I wish the program all the best in the future, and I hope it continues to grow and thrive.

Indoor Track and Field– Boys & Girls

Head Coach: Leon Riddick

The 2023-24 Justice Indoor Track and Field boys and girls teams had an exciting season. The girls' team finished the season as the **2024 Girls Indoor National District Champion**. This was the first district championship ever won by the girl track team. The Lady Wolves season was highlighted by all-around athlete Norah Kelaher. She scored points for the team in every event that she completed. She finished first and won First Team All-District honor in the High Jump, 4x200m relay, and 4x400m relay. She received Second Team All-District in the 55m Hurdles, Long Jumps, and Triple Jumps and she is only a junior. We are looking forward to seeing what she can do as a senior. Also joining Norah with First Team All-District are Fatima Amaya-Diaz (shot put), Mica Karotkin (500m, 4x400m), Julia Franco (Pole Vault), Mia Korin (4x200m), Katie Turray (4x200m, 4x400m), and Renee Agyemang (4x200m, 4x400m). Cliodhna Collins won Second Team All-District honor in the shot put. Coach Riddick won the National District Girl Coach of the Year honor. The Lady Wolves sent two athletes to compete in the 6A State Track & Field Championship. They were Olivia Donaghy (High Jumps) and Julia Franco (Pole Vault). We are looking forward to a great future with this young Lady Wolves team. On the boy's team, the season was highlighted by jumper Mosa Shamat. He finished first in the High Humps, winning First Team All-District and Honorable Mention in the Triple Jumps. Tobey Phinney and Colin Thompson won Second Team All-District in the 55m Hurdles and Shot Put, respectively. Many other athletes are contributing to the track team's success.

Swim/Dive

Head Coach: Austin Cobb/Fred Martin

The Justice High School Swim and Dive team made waves during the 2023-2024 season, setting new benchmarks and breaking some records along the way! With an impressive regular season, the Wolves boasted a record to be proud of. At the regional level, the Wolves faced some tough competition but triumphed, earning some well-deserved spots in the state meet. In the state championships, our girls showcased their talent and hard work, delivering standout

performances in both individual and relay events. The season was also marked by numerous personal bests and a few school records. Special recognition goes to stand out swimmers like Claire Coughlin, Emma Redman, Annika Wentland, and Regan Kampschorr for their stellar performances in both relays and individual events. And let's not forget about Sam Martin, who dominated in diving! Strong leadership by our captains guided the team through challenges, demonstrating true teamwork and sportsmanship. As we bid farewell to our graduating seniors, we recognize their invaluable contributions to the team and the incredible legacy they leave behind. Though we're saying farewell to some amazing seniors, we're excited about the bright future ahead for both them and the Justice High School Swim and Dive team. Here's to making an even bigger splash next season!

Winter Cheer -

Head Coach: Jessie Phillips

The Justice High School Winter Cheerleaders had a triumphant return in the 2023-2024 season. After over a decade-long hiatus, our dedicated cheerleaders brought energy, spirit, and passion to the sidelines of both men's and women's basketball games. This season was not only about cheering on our teams but also about learning and growing together as a squad. From mastering new cheers to learning how to stunt, we embraced every challenge with enthusiasm and determination. One highlight of the season was undoubtedly our electrifying home game against Falls Church, where the crowd's energy reached new heights, making it an unforgettable experience for everyone involved. And who could forget the thrill of the t-shirt toss, spreading excitement and school pride throughout the stands? As we reflect on the memories made and victories achieved, let us celebrate the resilience and camaraderie that defined our 2024 Winter Cheer Season. Looking ahead to next season, we eagerly anticipate building upon our successes, especially with the knowledge that our squad had only one senior this year!

Wrestling

Head Coach: Donald Balsavich

The 2023-24 wrestlers started and finished the season strong. This season we faced several tough regional opponents and wrestled well. Our female wrestlers also participated in and did very well at the Girls' State tournament in Woodbridge. The Wolves finished the season with several district and regional placers. These were terrific feats that took a total team effort. Every wrestler that competed and practiced this season demonstrated the ability to overcome adversity on and off the mat.
